

Date: October 29, 2019

Title: Close of Camping Season & Winter Parking Lot Information

The AIA designated close of the camping season is November 10, 2019 and the Horse Corrals must be vacated by the same date.

Snowmobiles, tracked UTVs and cargo trailers may now be parked in the designated areas at the Winter Parking Lot.

HOWEVER, the parking stalls for street legal vehicles remain closed. Once weather and/or road conditions warrant opening of the parking stalls, notification will be made by Blast email and posting to the AIA website.
