Forest Refuse Site Burn Notification
2020

The Forest Refuse Site will be burned on **Saturday morning, December 19th, 2020,** when weather conditions are expected to move the smoke away from the community. Expect to see smoke throughout the day, a glow in area Saturday night, and residual smoke in the area for a few days. Should smoke appear near your residence you can go to the following link for information on how to protect your health from wood smoke.
